

INNOVATION & INVESTMENT Insider Tours

SAVE THE DATE: MONDAY, MAY 26, 2025

Join us for the [Innovation & Investment Insider Tours](#), a curated investor experience showcasing groundbreaking innovation in cleantech, life sciences, and creative tech. Connect with high-growth companies, industry leaders, and investors in a dynamic setting designed for meaningful conversation. Taking place on [Monday, May 26](#), ahead of [Web Summit Vancouver \(May 27-30\)](#), this full-day experience charters investors across the Metro Vancouver region.

The event will begin with transportation from downtown Vancouver to Surrey, the fastest-growing city in the Metro Vancouver region, for a networking lunch, followed by three sector-specific investment tours. Attendees will be guided through innovation clusters in their choice of focus area, [cleantech](#), [life sciences](#), or [creative tech](#) (digital media & entertainment and AI), visiting leading companies, anchor institutions, and strategic business locations to gain firsthand insights into investment opportunities. After the tours, participants will be transported back to Vancouver to high-value evening networking events.

Designed for those seeking to [invest in local companies](#), [create strategic business partnerships](#), or [establish a presence in the region](#), this curated experience extends beyond the conference floor to provide a [high-impact, immersive look at the Metro Vancouver region's investment potential](#).
