# INVEST V/NCOUVER

A service of metrovancouver

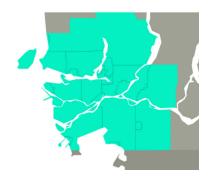

Welcome to Invest Vancouver's quarterly update. Dive into Metro Vancouver's regional advantages with this five-minute read on economic news, events, and activities across Metro Vancouver's dynamic and innovative regional economy.

# Welcome to the Metro Vancouver Region

The Metro Vancouver region is excited to welcome new global company this quarter:

#### Lumotive

Invest Vancouver supported <u>Lumotive</u> through its site-selection process, which led to the Redmond, Washington-based award-winning tech company choosing the City of Burnaby for its first international location.

# **Tech Talent Guide**

Invest Vancouver's Tech Talent Guide provides an overview of the abundant, diverse, and high-quality tech industry talent in the Metro Vancouver region.

This guide was developed to provide interested investors with information about the Metro Vancouver region's competitive advantages, high-quality tech talent, and other significant factors that contribute to the success of tech companies across various industries in the region.

Explore our Guide

# While the Metro Vancouver region is undeniably beautiful, there is more than meets the eye.

In our latest video, we invite those new to the region to embark on an exploration of Metro Vancouver's landscape, where innovation thrives in the heart of a bustling tech hub, award-winning film and TV productions come to life, adventures await at every turn, and where commitment to sustainability drives leading cleantech solutions!

Watch the Video

The Metro Vancouver region, its organizations, and its residents are leading the way in creating and adopting clean transportation solutions that mitigate the effects of climate change. Join us in June 2024 as public and private sector organizations celebrate the clean transportation sector in the Metro Vancouver region.

Presented in partnership by:

## **NEW MOBILITY FORUM 2024**

## **Taking Steps in BC**

With partners, Invest Vancouver hosted the Taking Steps in BC event building on the "Taking Steps" report published by Impact United. The event provided a day of learning, sharing and relationship building with Indigenous entrepreneurs, business owners, intermediaries, financial advisors, fund managers, and others.

Invest Vancouver had the privilege of participating in the inaugural <u>direct flight</u> from Vancouver International Airport to Singapore. These direct flights are an important part of investment attraction in the Asia

Pacific Gateway. The launch included a jam-packed few days of meetings with key leaders and businesses to promote opportunities in the Metro Vancouver region.

# Next up...

# FDI Report

Discover the impact of foreign direct investment on the BC economy. Invest Vancouver's forthcoming report sheds light on how foreign companies contribute to employment growth in BC. The report provides a detailed analysis, examining recent trends, and breaking down the impacts by industry and country of origin. Stay tuned for the full report later this year.
